"Paper under disposal"

The Superintendent of the Amrut Mahal Department reports that the President of the Dasara Exhibition Committee has agreed to place at his disposal one room in the Exhibition building for locating his office, and requests that his headquarters may be removed from Bangalore to Mysore.

2. The proposal may be sanctioned, the more especially as Col. Jones (the Head of the Department) has no objection and this is one of the offices whose eventual transfer to Mysore is under contemplation. Since the year 1902, Mr. Nanjundaraj Urs has been permitted to stay in Mysore for long periods and carry on his work there without claiming halting allowances.

General and Revenue Departments.

Sir,

In reply to your letter No. G 6621
Gen. 108-09
dated 16th instant enquiring when the rooms
where the office is located can be spared,
I have the honor to state that the room
intended to be given at the Exhibition
Buildings Mysore, for the location of my
Office has since been altered as a show
room and, even when occupied, it has to
be vacated completely for two months
during the time of the Exhibition.

So it will not be convenient to hold (18)
my office in the above buildings.
I have brought this to the notice of the
Military Secretary who has kindly promised
to do the needful in the matter.
His instructions are awaited. A copy
of my letter No. 358 dated 16 May 1911, to him
is herein enclosed for your kind perusal.

To

Lt. Col. R. G. Jones, D. A.,
Military Secretary to H. H. The
Maharaja of Mysore,
Bangalore.

Sir,

With reference to your memo No. 2783 dated 29th March 1911 forwarding for my information copy of G. O. No. G. 5481-528/Gen 6-10-8 dated 24th Idem sanctioning the transfer of my office to Mysore, I have the honor to state that it will not be convenient to locate the office at the Exhibition Buildings as the room originally intended to be given for its location has since been altered as a show room

room and even if it is granted, it will have to be vacated completely for two months every year during the time of the Exhibition. There will be located at The Willingdon Lodge as you are kindly promised to place at my disposal two rooms to hold my office. I beg that you will be pleased to approve of this.

2. In this connection I may be permitted to point out that when the Education Secretary's office has to be restored to my use in 1894 Government in their Proceedings No. 1590 dated 12th May 1894 were pleased to sanction the issue of pay to some of the officers who had to be otherwise granted a bonus of two months' pay as a compensation for the cost and trouble of settling down with their families at Simla besides paying the actual expenses of removing their families and household

property

property to Mysore. As most of the officials of my office are poorly paid and as they have to shift to Mysore where houses cannot be had for reasonable rents on account of the removal of them by the Trust Board on Sanitary principles, I beg to recommend that they may be granted promotions as per enclosed Proposition Statement (in duplicate) which involves only an expenditure of Rs 156/- per annum which may be met from the grant of Rs 12588/- provided under "Cattle Establishment." This will have effect from 1st July 1911.

3. The other officials for whom increase of pay is not recommended and the peons of my office pray that they may be granted a bonus of two months' pay as per statement herewith forwarded as

as a Compensation for the expenses of
Settling down with their families at Mysore
which will be paid in advance to enable them to
come to Mysore. The actual expenses of
removing may be paid after removal.

+ In these circumstances I beg to
request that you will be good enough to
recommend to Government and obtain
Sanction for the increase of pay to the
Officials (ii) the bonus of two months' pay
(iii) and the actual expenses of removing
to Mysore
